God's Plan for Christ's Coming

Luke 2:1-14

Galatians 4:4 tells us, "But when the fullness of the time came, God sent forth His Son." With those simple words, the apostle Paul sums up much of the Old Testament. The fullness of time refers to all of God's preparations for sending Jesus Christ into the world to die for our sins. The Father's hand was organizing world events to bring about the most powerful incident ever. The story of Christ's coming is the story of human history. Pleased by Noah's faithfulness, God saved his family from the worldwide flood. That preserved the Messianic line through Shem Genesis 7:13; Luke 3:23-38. Later, after the Israelites made it to the Promised Land, they

ended up losing it. Eventually the Persian king Cyrus defeated their Babylonian captors and allowed the Jewish people to rebuild Jerusalem. With Alexander the Great's conquest of the known world, the Greek language spread, giving people a common tongue. More time passed, and the Roman conquests ushered in a new era of peace. Traveling became easier as good roads were built, and the seas were safe to sail. Then, when the time was right, Jesus Christ was born. He would be crucified and resurrected in the rebuilt city. His Gospel could be shared in a common language and carried to faraway countries. Now, many centuries later, you are able to learn about a heavenly Father who loves you so much that He sent His precious Son to redeem you from your sins. God guided human history so you could be saved!

Prophecy For the Month

This is your month of completion. As the year comes to an end all your reproach and failure will come to an end. Philippians 1:6 being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ: God will give you the Grace to

succeed and accomplish your purpose this month. The Lord will make you a winner in the name of Jesus. You will receive power to overcome everything that is holding you back from fulfilling your God given purpose in the name of Jesus. God will turn the tide in your favor this month, God will turn your shame to fame, your reproach to Glory and every obstacle that has held you bound for so long shall be uprooted from your path, all your affliction will come to an end this month. The favor of God will open doors for you in unexpected places in Jesus name.
